Time to Wrap up Your Holidays at
Strawberry Village
With Santa Claus and
the Marin League of the San Francisco Symphony

Mill Valley, CA...The Marin League of the San Francisco Symphony will be presenting an encore performance of their gift wrapping services at Strawberry Village, December 11th – December 23rd, from 11:00am – 6:00pm, daily. The public is encouraged to bring all of their holiday packages to their warm, indoor wrapping workshop for the Marin League elves to wrap up in festive, holiday style. Drop off your packages and then enjoy a relaxing day of shopping and dining at the unique variety of shops and restaurants that Strawberry Village has to offer. Donations for gift wrapping are welcome and will go directly to the Marin League of the San Francisco Symphony's educational and community programs including: Concerts of Kids at Davies Hall, the San Francisco Symphony's Deck the Halls at Christmas, free classical concerts called Free Music for Kids of All Ages held at Harbor Point and a variety of in-school programs for children as well. Look for the gift wrapping elves located in the space next to Rims & Goggles in the Central Piazza.

In addition to Holiday gift wrapping, Santa Claus will be available for visits from noon – 2:30pm, every Saturday in December. Bring the kids to visit Santa while finishing your holiday shopping, trying a new restaurant and getting your packages wrapped by the Marin League of the San Francisco Symphony. For more information, visit www.strawberryvillage.com or call 800-762-1641. For more information about Marin League events, please call Pam Rice at 415-216-3372.
